The Weather, Man

Weatherman.us

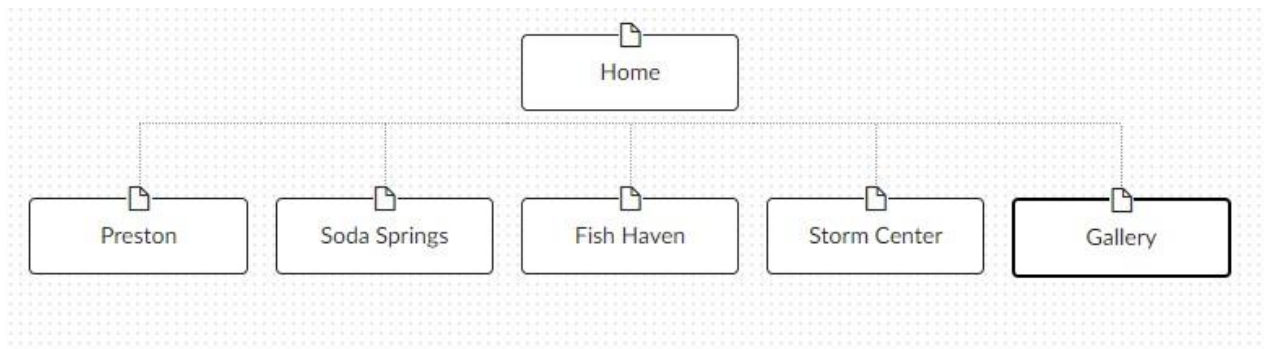

The purpose of this site is to show current weather conditions and weather predictions for the Preston, Idaho area of the United States. This tool is meant to be used in order to inform plans for travel, holidays, outings, and emergency preparedness.

Target audience is people who leave in or around Preston, Idaho.

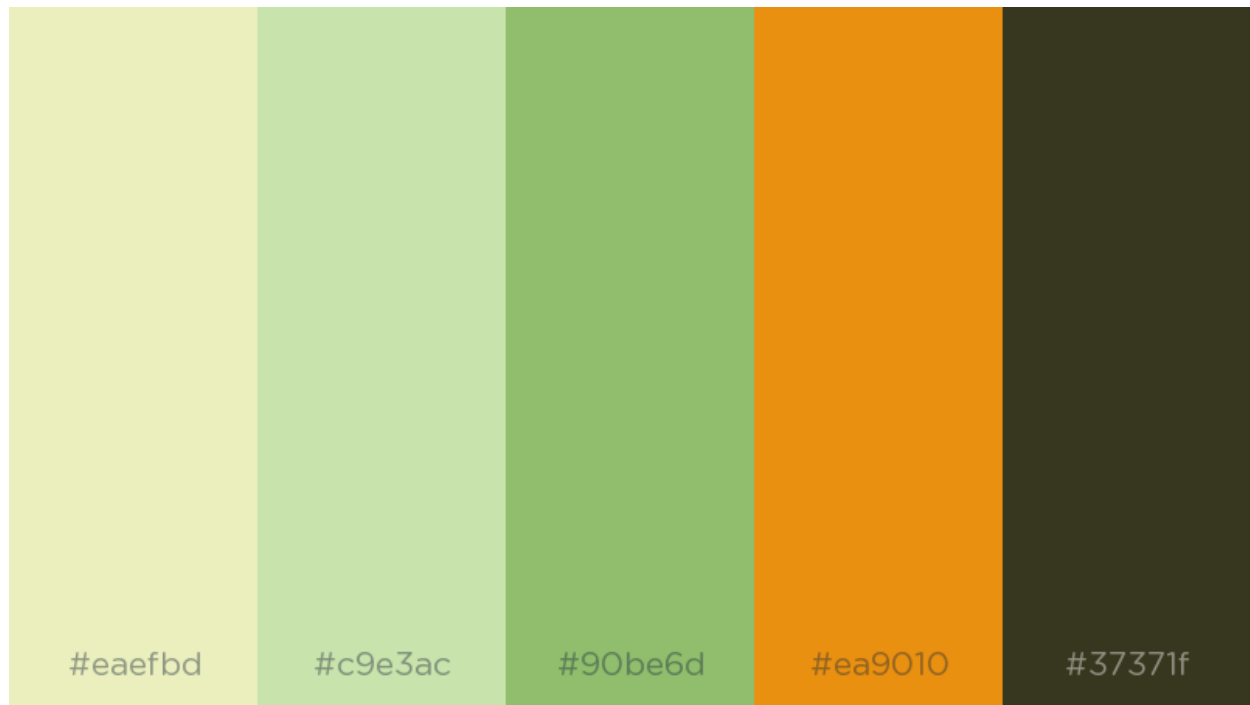

Scenerios:

1. There's an outdoor event this weekend, what will the weather be like?
2. I have to drive somewhere, will weather conditions affect the traffic or travel time?
3. I'm planning a camping trip, will the weather be nice?
4. Do I need to wake up early tomorrow to shovel snow?
5. I heard there's going to be a huge snow storm this week, should I buy emergency supplies?
